**RESPONSE TO OFFICE ACTION**  
**MAILED NOVEMBER 8, 2000**

Hon. Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action of November 8, 2000, for which, submitted herewith, is a Petition extending the term for response to April 8, 2001, please enter the following amendments and consider the accompanying remarks that follow.

**IN THE TITLE:**

Please amend the title to read --MAINS FREQUENCY SYNCHRONOUS BURST MODE  
POWER SUPPLY--.

**IN THE CLAIMS:**

Please amend Claims 1-20 to read as follows:

1. A synchronous burst mode power supply comprising:  
a power converter for transforming an AC mains from a relatively low frequency to a higher frequency; and  
a gate circuit responsive to said AC mains supply for enabling said power converter to initiate a burst of output pulses at said higher frequency each time a momentary amplitude of said AC mains supply occurs within a predetermined range.
